

# RAMS WIN! By Pava & Brian Leyrer

The Rivertown Rams won their 4th game of the season 62-16 against the SW Michigan Rage at Northview High School stadium July 24. With the Stampede, our dance team leading the crowd of excited fans, our quarterback, Jason Tokar led the RAMS offense to many spectacular plays. Our

stifling defense again managed to hold the Rage to only 16 points even with our second string gaining experience in the second half. See the GR Press for details of that exciting game. **GREAT JOB RAMS!**

# Dreams Do Come True

Dreams do come true, just ask Juanita Rodriquez, a proud new home owner. Juanita had a dream of owning her own home and recently achieved that dream closing her loan with Pava and becoming one of the Heritage National Mortgage family.

Juanita stated her reason for choosing Heritage was originally a referral from her realtor. "Thank you very much for all your help and for giving me honest helpful information which was easily accessible by phone. I was very satisfied with the overall service I received from the staff at Heritage and would definitely recommend them to anyone needing financing."

HNMC would like to thank Juanita as well for her confidence in us and allowing us the pleasure to serve her. We wish her the best of luck in her new home and look forward to seeing her at the *HNMC Friends and Family Community Fun Day!*

# Our Responsibility By Rob Stacey

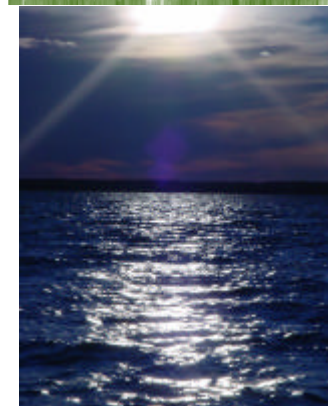

As we begin to get into the heart of the Presidential Campaign, there are a couple of points I would like to make. First and most importantly at no time do I or this company endorse either candidate nor is this piece aimed at influencing any one persons allegiances.

The purpose of this piece is to remind us all of our obligation some might say civic duty, to stay informed on this and other political races as citizens of this country. Make sure you watch both the Democratic and Republican Conventions, all of the debates between the Presidential and Vice Presidential candidates. Only then with all the information possible from a first hand basis can any of us make a responsible decision on who to elect for the Presidency of the United States of America.

We as Americans owe this minor amount of our time to those who fought abroad, struggled at home, and persevered to make this the great country it is today. So please take the time to become educated and continue to make this country great for the children of tomorrow.

## Community Fun Day

By Pava Leyrer

Heritage National Mortgage's Annual *Family and Friends Picnic* also known as our Customer Appreciation Picnic will take on a new look this year with the addition of Community Fun Day. The picnic is to be held at Northview High School during a Rivertown Rams home football game. We will have numerous booths for fun and games as well as a variety of foods for every palate.

The Northview Fire Department will have one of their fire trucks present to be viewed and a demonstration will be given. There will be a variety of children's games as well as games for the "children" at heart! Northview cheerleaders will cheer during the Rams game in collaboration with the Stampede Dance Team. During half time, special activities will be available for people of all ages.

Bring your Heritage National Mortgage newsletter or postcard for special drawings before and during the game. Bringing your newsletter will also give you food passes.

Mark your calendars now for **August 21**, starting **5:00 pm**. We will watch the game between the Rivertown Rams and the nationally ranked Indiana Tornados as well as eat, drink, and be merry! The game will begin at 7:00 PM.
